The Tahoe is a spacious and comfortable home located just a 5 minute drive from the south end of the Las Vegas Strip. At almost 3000 square feet, The Tahoe is perfect for families or groups that like to spread out a bit but still be together. Attractions within a very short drive include The Las Vegas Outlet Mall, Town Square, McCarran International Airport, UNLV, and, of course, the fabulous Las Vegas Strip.

The heart of the Tahoe home is its great room. Located in the middle of the home, this wide open space encompasses the kitchen and dining areas as well as family room and game space. High ceilings with ceiling fans and a cozy fireplace add ambiance. Big bright windows on both sides make this a delightful hang out.

The 3 bedrooms at The Tahoe are all thoughtfully furnished and each has its own large flat screen TV. Sharing the bathroom is not required here as there are 3 bathrooms, each with a shower. The master bathroom offers a jacuzzi

tub as well. The kitchen is a chefs delight with custom cabinetry, an enormous granite counter top and any piece of kitchen equipment you could need to whip up a delicious feast.

The backyard at The Tahoe is bright and sunny and also boasts a large covered patio for comfort. Ceiling fans help cool the space and the sparkling pool is just steps away. Palm trees and a green grassy area add to the relaxing atmosphere. Please note that this spa does not heat up past the temperature of the pool.
