### General Rules:

- TDA rules apply to all MSPT tournaments. Must be 21+ years of age, have Casino's player card and valid ID to participate.
- Prizes: An entry into Event #1: \$400 buy-in Monster Stack NLH will be awarded for every \$400 in the prize pool. Remaining money in the prize pool will be distributed to the next highest placing participant. If the net prize pool does not reach \$400 then only one place will be paid and will receive 100% of the prize pool.
- Management reserves the right to cancel or change tournament at sole discretion without prior notice.
- \$100 buy-in (\$80 prize pool + \$20 administration fee). Administration fee includes any and all staffing/dealer fees, and rake. Players will start with 12,000 in tournament chips. Each level is twenty (20) minutes. Ten (10) minute break at the completion of every six (5) levels.
- A Player who accumulates 70,000 in tournament chips ("The Milestone") in the standard satellite will have the option to instantly be awarded one (1) direct entry seat or continue to play the event. Upon verification from the Tournament Supervisor that the player has achieved the Milestone, the player may cease play, the total of his/her chips will be removed from play and he/she will be awarded a direct entry seat into Event #1: \$400 Monster Stack NLH, or the player may continue to play until the conclusion of the tournament and elect to be awarded a \$400 direct entry seat.
- The Tournament will conclude when the number of players remaining is equal to 1 in 5 of the total entries, less the number of players who have previously won the prize by reaching the Milestone and taking a seat.
- While the tournament staff will make the best effort to identify players as they achieve the Milestone, it is the responsibility of each individual entrant to notify the Dealer or Tournament Supervisor when they have reached 70,000 in tournament chips.
- Late entries and re-entries will be dealt in immediately (do not have to wait for the blinds) and will receive a full starting stack. Reentries will be assigned seat based on random draw or to balance tables at TD's discretion.
- A player who is dealt into a subsequent hand after achieving the Milestone will be required to complete the hand prior to being awarded the Tournament Prize. If, at the completion of the additional hand, a players' chip total falls below the Milestone they are not eligible to receive the Tournament Prize until their chip total is once again equal to or greater than 70,000.
- A Tournament Supervisor must be called to verify the tournament chip count of a player who is making a claim for a Tournament Prize. Players may request that a Tournament Supervisor count their stack at any time between hands.
- A player who assists another in counting their chip stack or notifying them that they have reached the Milestone is not in breach of the rules.
- This is a re-entry event. Late entries and re-entries are allowed until the start of level nine (9).
- All players with a paid seat will have their chips put in play. At the conclusion of the registration period, all paid entries (including alternates) who have Alternates will be called in order. Alternates must be in the room when their number is called. If they are not in the room, TD will call the next number until an active player is available to take the seat. Alternates not in the room will be skipped and remain at the top of the alternate list. Once registration has closed, all alternates not present will have their chip stack put in play.
- Seats won are transferable
- Tournament Director decisions are final and without recourse.
- During hand for hand play the clock will continue to run. If there are 10 tables or less the clock will not run any longer than Three (3) minutes per hand. If there are more than 10 tables the clock will not run any longer than Four (4) minutes per hand.

- Prizes: An entry into Event #5: \$1,110 buy-in Main Event NLH will be awarded for every \$1,110 in the prize pool. Remaining money in the prize pool will be distributed to the next highest placing participant. If the net prize pool does not reach \$1,110 then only one place will be paid and will receive 100% of the prize pool.
- Management reserves the right to cancel or change tournament at sole discretion without prior notice.
- \$265 buy-in (\$222 prize pool + \$43 administration fee). Administration fee includes any and all staffing/dealer fees, and rake. Players will start with 15,000 in tournament chips. Each level is twenty (20) minutes. Ten (10) minute break at the completion of Levels 4, 8, 14, 20.
- A Player who accumulates 80,000 in tournament chips ("The Milestone") in the standard satellite will have the option to instantly be awarded one (1) direct entry seat or continue to play the event. Upon verification from the Tournament Supervisor that the player has achieved the Milestone, the player may cease play, the total of his/her chips will be removed from play and he/she will be awarded a direct entry seat into Event #5: \$1,110 Main Event NLH, or the player may continue to play until the conclusion of the tournament and elect to be awarded a \$1,110 direct entry seat.
- The Tournament will conclude when the number of players remaining is equal to 1 in 5 of the total entries, less the number of players who have previously won the prize by reaching the Milestone and taking a seat.
- While the tournament staff will make the best effort to identify players as they achieve the Milestone, it is the responsibility of each individual entrant to notify the Dealer or Tournament Supervisor when they have reached 80,000 in tournament chips.

If, at the completion of the additional hand, a players' chip total falls below the Milestone they are not eligible to receive the Tournament Prize until their chip total is once again equal to or greater than 80,000.
- A Tournament Supervisor must be called to verify the tournament chip count of a player who is making a claim for a Tournament Prize. Players may request that a Tournament Supervisor count their stack at any time between hands.
- A player who assists another in counting their chip stack or notifying them that they have reached the Milestone is not in breach of the rules.
- This is a re-entry event. Late entries and re-entries are allowed until the start of level nine (9).
- All players with a paid seat will have their chips put in play. At the conclusion of the registration period, all paid entries (including alternates) who have yet to be seated will be assigned a seat and their chips will be put into play.

If they are not in the room, TD will call the next number until an active player is available to take the seat. Alternates not in the room will be skipped and remain at the top of the alternate list. Once registration has closed, all alternates not present will have their chip stack put in play.
