## 100 Days of Summer Leaderboard Challenge Rules:

The 100 Days of Summer Leaderboard Challenge will offer any player participating in a Borgata Tournament Event the opportunity to accrue points which will be applied to a Leaderboard. All Tournament Events scheduled from Sunday, May 26 through Monday, September 2, will qualify for the Leaderboard Challenge and any associated Leaderboard Points, provided that event has at least 50 entries. A minimum of one (1) tournament will be provided daily. Registration and Placement data pulled from the BRAVO Tournament Watch system will determine the top players based on total points accrued in all qualifying events. The Prize Pool to be awarded in the 100 Days of Summer Leaderboard Challenge is guaranteed at a minimum of \$100,000. Borgata Poker will fund the \$100,000 Leaderboard Prize Pool. No amount will be removed or withheld from any buy-in or prize pool to fund the Leaderboard Prize Pool. The 100 Days of Summer Leaderboard Challenge is guaranteed to pay the top twenty (20) players in the following manner: **1<sup>st</sup> Place: \$25,000; 2<sup>nd</sup> Place: \$15,000; 3<sup>rd</sup> Place: \$10,000; 4<sup>th</sup> Place: \$7,500; 5<sup>th</sup> – 7<sup>th</sup> Place: \$5,000; 8<sup>th</sup> – 10<sup>th</sup> Place: \$2,500. 11<sup>th</sup> – 16<sup>th</sup> Place: \$1,500; 17<sup>th</sup>-20<sup>th</sup> Place: \$1,000.** In addition to the Top 20 Places, for every 50 additional entries above the combined total of 10,000 entries for all qualifying events, Borgata will **add another Leaderboard Place to the Leaderboard Challenge, paying \$500.** There is no cap on how many additional Leaderboard Places could be added.

*Example: At the end of the 100 Days, the total combined entries for all Tournament Events offered May 26 – September 2 is finalized at 11,505. The 100 Days of Summer Leaderboard Challenge will add 30 places to the Leaderboard, paying 21<sup>st</sup> – 50<sup>th</sup> Place: \$500.*

In addition to Places, the 100 Days of Summer Leaderboard Challenge Promotion will award two (2) **Borgata Poker Open Championship Seats, valued at \$3,500 each!** The player with the most combined entries/re-entries in qualifying events over the 100 days of events, regardless of points and the player with the most cashes, regardless of points or placement will each earn a seat!

**Players will accumulate points for participating in the 100 Days of Summer Leaderboard Challenge in the following three (3) ways:**

**Placement Points:** Placement Points are awarded to the final 9 players who are in a prize determined place. Players who reach the final 9 of a qualifying event and are not in a prize determined position will not receive Placement Points.

*Example: An Event pays 7 Places. The player finishing in 9<sup>th</sup> and the player finishing in 8<sup>th</sup> will receive no Placement Points because only the top 7 are in prize determined positions.*

The amount of Placement Points awarded to each player will be based on the number of total entries for a qualifying event and that player's finishing place. Multi-flight events will be awarded Placement Points based on the total number of entries for all flights combined.

Players participating in Survivor Events will split the total Placement Points that would have been earned equally, regardless of the number of players who place. If Players opt for an Adjusted Payout (CHOP) of the Tournament Prize Pool, Placement Points will be awarded based on the allocated split, with the highest paid player earning the highest Place and thereby, the Placement Points associated with that Place. If the Adjusted Payouts are equal, the Placement Points for the designated payout Places will be combined and split equally between the players who are accepting an equal payout for different Places.

*Example: A \$1K Survivor Event has 130 entries and pays 13 players. The total Placement Points earned for an event of this size would be 37.8. These total points will be divided equally between the 13 players, giving each player 2.91 Placement Points for their finish in this qualifying Survivor event.*

*Example: The Beat the Heat Bounty Week Double Green Chip Bounty has 226 entries. When 4 players remain, they agree to an Adjusted Payout (CHOP.) 1<sup>st</sup> and 2<sup>nd</sup> Place agree to an even \$5,000 payout each. 3<sup>rd</sup> Place agrees to a \$2,500 payout and 4<sup>th</sup> Place agrees to a \$2,000 payout. 3<sup>rd</sup> Place and 4<sup>th</sup> Place will still earn 7.2 and 6.3 points, respectively, even though the amount of their payout has increased due to the Adjusted Payout agreement. However, 1<sup>st</sup> and 2<sup>nd</sup> Place will each earn 8.5 points based on their equal payout amounts, which is 9 - 1<sup>st</sup> place points and 8.1 - 2<sup>nd</sup> Place points, added, and divided equally between the two players.*

**Buy-In & Re-Entry Points:** Players will earn points for their Buy-In and Re-Entry for every qualifying event. Points awarded are based on the amount of the Buy-In (the amount allotted to the Prize Pool and Voluntary Add On, excluding Registration Fees and Bounties.) Mystery Bounty Events will provide an exception, with both the amount allotted for the Prize Pool and the amount allotted for the Mystery Bounty Prize pool being considered as Buy-In. Players will earn ¼ point for every \$50 of the Buy-In. Buy-In amounts will be rounded up to the nearest \$50. Players Re-Entering will earn ½ the original Buy-In point amount for each Re-Entry. Each Flight of any Multi-Flight Event will be considered its own Event for the purpose of Buy-In and Re-Entry Points, wherein players will earn full Buy-In points for the first Entry in each Flight. Tournament Structure sheets will specify the Buy-In & Re-Entry Points provided by the Event.

*For Example:*

*A player registers for a \$140 event. The player will receive .75 points for his buy in. (\$140 Rounded Up to the nearest \$50= \$150/\$50 = 3, 3 x .25 = .75 points)*

*A player buys in once and re-enters once into a \$200 event. The player will receive 1 point for his buy-in and .5 points for his re-entry, for a total of 1.5 points. (\$200/\$50 = 4, 4 x .25 = 1 point, 1 x ½ for re-entry= .5, 1 + .5= 1.5 points)*

*A player buys into Day 1A of a \$450 event. He also buys into Day 1C and re-enters into Day 1C. The player will earn 2.25 points for his buy in on Day 1A and 2.25 points for his buy-in and 1.125 points for his re-entry, for a total of 3.375 points for Day 1C. (\$450/\$50 = 9, 9 x .25 = 2.25 point, 2.25 x ½ for re-entry= 1.125, 2.25 + 1.125= 3.375 points)*

**Field Size Bonus Points:** Players will accrue Bonus Points just for participating in a qualifying event based on the field size of that event. The larger the event, the higher the Bonus Points accrued. Field Size Bonus Points will cap at **2 Points**. Players will earn a multiplier based on the Field Size, for every 25 entries in the event, rounded up to the nearest 25 entries. Events containing multiple flights will accrue Field Size Bonus Points for each individual Flight. Multipliers will be calculated once registration for the Flight or the Event closes.

*For Example:*

*Summer Series II: Deep Stack Semi-Turbo Event closes registration at 286 entries. Each player registering in this event will receive a one-time BONUS of 1.44 Points, regardless of how many times that player re-entered or where the player finishes. (286 entries Rounded Up to the nearest 25= 300/25 = 12 (the multiplier), 12 x .12 (bonus points earned for 251-300 Entries) = 1.44 points)*

Total Entries	Points Earned Per 25 Entries
50	0.145
51-100	0.14
101-150	0.135
151-200	0.13
201-250	0.125

**Updates:** Leaderboard Points will be publicly posted every Tuesday, for the preceding week (Sunday-Saturday) beginning June 4 and continue weekly for the first 70 Days. Daily Leaderboard updates will begin on Wednesday, August 6. In the final 4 days of the 100 Days of Summer Leaderboard Challenge, updates to the Leaderboard standings will be posted immediately following the completion of each Event or close of registration for the multi-flight event offered. Once the Leaderboard Placement is finalized on Tuesday, September 3, 2024, players may collect their prize at the Borgata Poker Room any time after 2 P.M. If a tie exists in Point Totals between two or more players, and there is a pay jump in the Leaderboard Prize Pool payouts, the total amount set to be awarded to the players finishing with equal point totals will be combined and split equally. If there is a tie for either of the two Borgata Poker Open Championship Seats, the tie breaker will be the total amount of tournament winnings earned over the 100 Days of Qualifying Events. If this number is also equal, the players will play a Heads Up tournament event, according to Borgata Sit-N-Go procedures, with the winner taking the seat.
